

INCREMENTAL

Intangible Cultural Heritage (ICH)
and local development.
Communities, safeguard and resilience

Our focus

Communities

Safeguard

Resilience

INCREMENTAL supports the protection and promotion of cultural heritage.

The project helps communities preserve traditions and cultural identity while creating new opportunities for tourism, education, and local development.

Through international cooperation, INCREMENTAL promotes sustainable solutions that connect tradition with innovation and strengthen local communities.

Our goal

A sustainable future where cultural heritage strengthens communities and drives positive change. Partners regions policies will be addressed by INCREMENTAL project to be improved for their management and revised in their content. Policies will combine the protection and valorization of ICH with tourism, cultural events and economy, this way contributing to the economic and social growth of the areas involved
